LONE PINE A.R.B.

STYLE / USE INVENTORY

(based solely on the Lone Pine ARB photo album analysis)

Sept 5, 1997

Total number of buildings or building clusters (i.e., motels) on Lone Pine's main commercial street (U.S.395) = 60

Total number of parking lots associated with adjacent uses = 6

Total number of vacant lots (unused spaces) = 6

Style Description	Number of Buildings
1. Residential	3
2. Weathered wood frontier town	18
3. Gable front, eclectic cottage	8
4. Stucco contemporary	6
5. Motel (no style designation)	6
6. Gas station contemporary	5
7. Metal clad industrial	5
8. Stucco missionesque	3
9. Stucco moderne	3
10. Wood clad contemporary	2
11. Italianate	1

* There are only 7 two-story buildings in the entire commercial area, four of which are motels.

* * These categories are generalized and not meant to connote specific historical correlations to dates or details.
